REGULAR MEETING JANUARY 15, 2004
ORDINANCE NO. 9, 2004 CONTINUED

The words "net annual income and revenues", as used in this Section and Section 315 hereof, are defined as Pledged Receipts less Operation and Maintenance Costs for the same period.

With reference to the requirements of subparagraphs (iii) and (iv) of this Section 313, the amount of Pledged Receipts, and the "net annual income and revenues" of the System as that term is herein defined, may be adjusted in writing by a firm of independent state-licensed Certified Public Accountants, which firm shall be the firm performing the certification required by subparagraphs (iii) and (iv) of this Section 313, to reflect and take into account for the historical period being tested, any revision in the schedule of water and sewer rates, rentals and charges being actually imposed and billed by the City at the time of issuance of such additional parity Bonds and, where bonds are refunded, the additional available "net income and revenues" of the System released as a result thereof.

The amount of Pledged Receipts and the "net annual income and revenues" of the System, as that term is herein defined, may also be adjusted in writing by a Consulting Engineer of National Recognition, to take into account and reflect for the historical period being tested, the amount of additional net income and revenues to be realized by the City by virtue of the acquisition by the City of existing and operating waterworks and/or wastewater facilities. A further adjustment may be made by adding thereto an estimate of the said engineer of the increase in operating revenues anticipated to be derived from the additions, extensions, replacements and betterments to be financed by the additional bonds then being authorized, for the first twelve months following issuance of said bonds, less said engineer's estimate of any additional expenses of operation and maintenance during said twelve months. Additionally, an adjustment thereunder may take into consideration revenues to be generated by virtue of contractual relationships between the City and other municipal corporations or other entities, either governmental or private, which contracts must extend for the life of the Bonds, where such income and revenues are historically determinable, for the period being tested, namely, 12 consecutive months of the 18 months immediately prior to issuance of parity bonds. Provided, however, that any such adjustment by such Consulting Engineer of National Recognition shall take into account only such income and revenues as would have been derived during the historical period being tested had the valid and lawful schedule of rates, rentals and charges of the City which is in effect at the time of issuance of parity Bonds been charged during such historical period being tested, and such adjustments shall also take into account all Operations and Maintenance Costs for such historical period being tested.

The City hereby covenants and agrees that in the event additional Series of parity Bonds are issued, it shall:

- (a) adjust the monthly deposits into the Debt Service Fund on the basis prescribed in the General Bond Ordinance to reflect the Annual Debt Service on the additional parity Bonds; and
- (b) adjust the prescribed amount to be accumulated in the Debt Service Reserve in accordance with the provisions of the General Bond Ordinance (the "Aggregate Debt Service Reserve Requirement"), and fund from such parity Bonds said additional Debt Service Reserve Requirement pursuant to the prescribed formula.

The additional parity Bonds (sometimes herein referred to as "permitted" to be issued) the issuance of which is herein conditioned and restricted, shall be understood to mean Bonds payable from the Pledged Receipts on a basis of parity and equality with the Bonds initially issued pursuant to the General Bond Ordinance, and shall not be construed to include other bonds or obligations, the security and source of payment of which are subordinate and subject to the priority of the Bonds herein authorized to be issued. The City expressly reserves the right to issue Subordinated Debt pursuant to

REGULAR MEETING JANUARY 15, 2004
ORDINANCE NO. 9, 2004 CONTINUED

Section 315 hereof payable from the revenues herein pledged and not ranking on a basis of equality and parity with the Bonds and parity Bonds herein otherwise described, but only if such Subordinated Debt is issued to provide for additions, betterments, extensions or improvements of the System, and only if the same are issued in express recognition of the priorities, liens and rights created and existing for the security and source of payment and protection of the Bonds and parity Bonds herein authorized and permitted to be issued. In the event any of such subordinate lien securities are issued, the City reserves the right to authorize and issue Subordinated Debt to refund same.

Nothing in this Section is intended or shall be construed as a restriction upon the ordinary refunding of the initially authorized Bonds and/or of any Bonds which may be issued and are outstanding under any of the provisions of the General Bond Ordinance if such refunding does not operate to increase amortization requirements in any year to and including the final maturity of Bonds outstanding and not to be refunded, if any.

Section 314. Notes. Whenever the City shall have authorized or made provision for the authorization of, the issuance of a Series of Bonds, the City may by resolution or ordinance authorize the issuance of Notes in anticipation of the sale of such Series in a principal amount not exceeding the principal amount of such Series. The principal or any interest on such Notes and renewals thereof may be payable from and secured by a pledge of Revenues that is (i) subordinate to the pledge of such Revenues as security for Outstanding Bonds or (ii) on a parity with the pledge of such Revenues securing Outstanding Bonds, but, as to any parity pledge, only if the requirements set forth in Section 313 hereof for the issuance of additional Bonds would be satisfied assuming the principal amount of such Notes would be amortized over twenty (20) years on a level payment basis at prevailing market interest rates existing at the time of the issuance of the Notes. The principal on such Notes shall also be payable from the proceeds of the sale of the Series of Bonds in anticipation of which such Notes are issued. Such proceeds may be pledged for the payment of the principal of such Notes and such pledge shall have priority over any other pledge created by this General Bond Ordinance. The proceeds of sale of such notes shall be applied to the purposes for which such Notes are authorized, and, if the resolution or ordinance or resolutions or ordinances authorizing such Notes so provide, to the payment of interest and other costs in connection with the sale and issuance of such Notes.

Upon issuance of any Notes, there shall be established a separate and distinct "Note Redemption Fund" for the payment of the principal of, interest and any redemption premium on such Notes. There shall be deposited in such Note Redemption Fund (i) any accrued interest received upon the sale of such Notes, (ii) such amounts as may be necessary to pay principal of or interest on such Notes which may become due during the period that the Notes are Outstanding, in the same manner and priority as set forth in Section 504 for transfers to the Debt Service Fund; and (iii) sufficient proceeds of the Series of Bonds authorized to be issued at the time of issuance of such Notes to provide for the payment-in-full of such Notes. Amounts shall be disbursed from a Note Payment Fund to pay the principal of, interest and any redemption premium on the Notes for which such Fund was established, as and when the same shall become due and payable. Amounts on deposit in a Note Payment Fund shall be invested and reinvested in the same manner prescribed under Section 505 for the Debt Service Fund.

Section 315. Subordinated Debt. The City may issue its Subordinated Debt payable from the revenues herein pledged and not ranking on a basis of equality and parity with the parity Bonds authorized to be issued pursuant to Section 313 hereof, but only if such Subordinated Debt is issued to provide for additions, betterments, extensions or improvements of the System, and only if the same is issued in express recognition of the priorities, liens and rights created and existing for the security and source of payment and protection of all outstanding parity Bonds herein authorized and permitted to be issued; and provided further that:

(ii) the City is in compliance with all covenants and undertakings in connection with this General Bond Ordinance and all of its outstanding Bonds then outstanding and payable from the Pledged Receipts; and

(iii) the net annual income and revenues of the System for a period of twelve (12) consecutive months of the eighteen (18) months immediately prior to the issuance of said Subordinated Debt are certified in writing by an independent firm of certified public accountants (subject to adjustments as hereinafter provided) to have been equal to at least one (1.00) times the maximum annual debt service requirement on all outstanding Bonds and Subordinated Debt payable from the Pledged Receipts, together with the Subordinated Debt then to be issued.

With reference to the requirements of subparagraph (iii) of this Section 315, the amount of Pledged Receipts, and the "net annual income and revenues" of the System, may be adjusted in writing by a firm of independent certified public accountants, which firm shall be the firm performing the certification required by subparagraph (iii) of this paragraph Section 315, to reflect and take into account for the historical period being tested, any revision in the schedule of rates and charges either (i) being actually imposed and billed by the City at the time of issuance of such Subordinated Debt and, (ii) where outstanding Subordinated Debt is refunded, the additional available "net income and revenues" of the System released as a result thereof.

The amount of Pledged Receipts and the "net income and revenues" of the System may also be adjusted in writing by an engineer with expertise in the field of waterworks engineering to take into account and reflect for the historical period being tested, the amount of additional net income and revenues to be realized by the City by virtue of the acquisition by the City of existing and operating waterworks or wastewater facilities. A further adjustment may be made by adding thereto an estimate of said engineer of the increase in Pledged Receipts anticipated to be derived from the additions, extensions, replacements and betterments to be financed by the Subordinated Debt then being authorized, for the first twelve months following issuance of said Subordinated Debt, less said engineer's estimate of any additional expenses of operation and maintenance during said twelve months. Additionally, an adjustment thereunder may take into consideration revenues to be generated by virtue of contractual relationships between the City and other municipal corporations or other entities, either governmental or private, where such income and revenues are historically determinable, for the period being tested, namely, 12 consecutive months of the 18 months immediately prior to issuance of Subordinated Debt. Provided, however, that any such adjustment by such engineer shall take into account only such income and revenues as would have been derived during the historical period being tested had the valid and lawful schedule of rates, rentals and charges of the City which is in effect at the time of issuance of the Subordinated Debt been charged during such historical period being tested, and such adjustments shall also take into account all Operation and Maintenance Costs for such historical period being tested.

The City hereby covenants and agrees that in the event Subordinated Debt is issued, it shall adjust the monthly deposits into the Debt Service Fund, including the subaccounts therein to be established upon the issuance of Subordinated Debt (the "Subordinated Debt Accounts"), on the basis prescribed herein to reflect the annual debt service on all Subordinated Debt then outstanding.

In the event any such Subordinated Debt is issued, the City may authorize and issue subordinated debt to refund same, pursuant to the same terms and conditions as set forth in Section 313 hereof for the refunding of parity Bonds.

Any Debt Service Reserve Guaranty shall be considered a deposit of funds in the Debt Service Reserve equal to the Debt Service Reserve Coverage provided by the Debt Service Reserve Guaranty Agreement.

If the Bonds are insured by a bond insurer, the references to Rating Agency in the prior sentence shall be read to mean such bond insurer and the substitution of the proposed Debt Service Reserve Guaranty shall not result in the cancellation of the bond insurance provided by such Bond Insurer.

Such notice shall be given at least 45 days prior to the Redemption Date or such shorter period as shall be acceptable to the depository of the Debt Service Fund and the applicable Paying Agents. The City shall mail a copy of such notice, postage prepaid, registered mail, not less than thirty (30) days before the Redemption Date to the Holders of any Bonds or portions of Bonds which are to be redeemed, at their addresses appearing upon the registry books.

Section 718. System Improvements To Be Expeditiously Completed. When any Series of Bonds are issued, the City shall cause the work thereby to be acquired to be constructed and installed as rapidly and expeditiously as good business practice dictates, and will use and employ its best efforts to prevent delay in the prompt fulfillment of any such work.

Nothing herein shall be deemed to limit the right of the City to issue bonds as provided in this General Bond Ordinance, and such issuance shall not be deemed to constitute an extension of the maturity of any Bond or of the time of payment of any claim for interest.

GENERAL BOND ORDINANCE - FURTHER PROVISIONS

Section 901. Modification Or Amendment. Any modification or amendment of this General Bond Ordinance and of the rights and obligation of the City and of the Holders of the Bonds hereunder, in any particular, may be made by a Supplemental Ordinance, with the written consent given as hereinafter provided in Section 902, (1) of the Holders of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given (2) in cases where less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least two-thirds in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, or (3) in case the modification or amendment changes the amount or date of any Sinking Fund Installment of the Holders of at least two-thirds in principal amount of the Bonds of the particular Series, maturity and interest rate entitled to such Sinking Fund Installment Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section; and provided, further, no such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this General Bond Ordinance if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The City may in its discretion determine whether or not, in accordance with the foregoing provisions, Bonds of any particular Series or maturity would be adversely affected by any modification or amendment of this General Bond Ordinance and any such determination shall be binding and conclusive on the City and all Holders of Bonds. The City may receive an opinion of Counsel, including Counsel's Opinion, as conclusive evidence as to whether Bonds of any particular Series or maturity would be so affected by any such modification or amendment of this General Bond Ordinance.

Section 902. Consent Of Bondholders. The City may at any time adopt a Supplemental Ordinance making a modification or amendment permitted by the provisions of Section 901 to take effect when and as provided in this Section. A copy of such Supplemental Ordinance (or brief summary thereof or reference thereto) together with a request to Bondholders for their consent thereto, shall promptly after adoption be mailed by the City to Bondholders (but failure to mail such copy and request shall not affect the validity of the Supplemental Ordinance when consented to as in this Section provided). Such Supplemental Ordinance shall not be effective unless and until (1) there shall have been filed with the City (a) the written consents of the Holders of the percentages of Outstanding Bonds specified in Section 901 and (b) a Counsel's Opinion stating that such Supplemental Ordinance has been duly and lawfully adopted by the City in accordance with the provisions of this Ordinance, is authorized or permitted by this

Ordinance, and is valid and binding upon the City and enforceable in accordance with its terms. Each such consent shall be effective only if accompanied by proof of the holding at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 1202. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 1202 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange thereof (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the City, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 1202. The fact that a consent has not been revoked may likewise be proved by a certificate of the City to the effect that no revocation thereof is on file with the City. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Ordinance, the City shall make and file (a) in the official records of the City, accompanied by a Counsel's Opinion, as to the quality thereof, and (b) with each Fiduciary a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been filed. At any time thereafter, notice, stating in substance that the Supplemental Ordinance (which may be referred to as a Supplemental Ordinance adopted by the City on a stated date) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section, shall be given to Bondholders by the City by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Ordinance from becoming effective and binding as in this Section provided) not more than ninety (90) days after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Ordinance and the written statements of the Trustee hereinabove provided for are filed. Such Supplemental Ordinance making such amendment or modification shall be deemed conclusively binding upon the City, each Fiduciary and the Holders of all Bonds, at the expiration of thirty (30) days after the filing with each Fiduciary of the proof of the first publication of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Ordinance in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; provided, however, that the City during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its reasonable discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Ordinance as they may deem expedient.

Section 903. Mailing. Any provision in this Article for the mailing of a notice or other document to Bondholders shall be fully complied with if it is mailed postage prepaid to each Holder of Bonds then Outstanding at his address appearing upon the registry books of the Registrar.

Section 904. Modifications By Unanimous Action. Notwithstanding anything contained in Article VIII or in the foregoing provisions of this Article IX, the rights and obligations of the City and of the Holders of the Bonds and the terms and provisions of the Bonds or of this Ordinance may be modified or amended in any respect upon the adoption of a Supplemental Ordinance by the City and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 902 except that no notice to Bondholders by mailing shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto in addition to the consent of the City and of the Bondholders.

Section 905. Exclusion Of Bonds. Bonds owned or held by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this General Bond Ordinance, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this General Bond Ordinance.

ORDINANCE NO. 9, 2004 CONTINUED

Section 906. Notation On Bonds. Bonds authenticated and delivered after the effective date of any action taken as in Article VIII or this Article IX provided may bear a notation by endorsement or otherwise in form approved by the City as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the principal office of any Paying Agent, suitable notation shall be made on such Bond by such Paying Agent as to any such action. If the City shall so determine, new Bonds so modified as in the opinion of the City to conform to such action shall be prepared and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

Section 907. Contracts Or Indentures. The City, in so far as authorized by law, may and if requested by any Fiduciary shall, enter into a contract or an indenture with any Fiduciary giving effect to any modification or amendment of the Bonds or of the Ordinance as hereinabove in this Article IX provided.

(1) the City shall default in the payment of the principal of or Redemption Price, if any, on any Bond when and as the same shall become due, whether at maturity or upon call for redemption or otherwise;

(2) payment of any installment of interest on any of the Bonds shall not be made when and as the same shall become due; or

(3) the City shall fail or refuse to comply with the provisions of the Act, or shall default in the performance or observance of any other of the covenants, agreements or conditions on its part contained in this Ordinance, any Series Ordinance, any Supplemental Ordinance or the Bonds, and such failure, refusal or default shall continue for a period of forty-five (45) days after written notice thereof by the Holders of not less than five percent (5%) in principal amount of the Outstanding Bonds.

Section 1002. Remedies.

(1) Upon the happening and continuance of any Event of Default, the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds, may proceed, in their own name, subject to the provisions of this Section 1002, to protect and enforce the rights of the Bondholders by such of the following remedies, as such Bondholders, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(a) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bondholders, including (subject to regulatory requirements) the right to require the City to adopt, enforce, collect and receive utility rates, rentals and charges adequate to carry out the covenants and agreements of the City in respect of production of minimum Revenues and to require the City to carry out any and all other covenants or agreements with Bondholders and to perform its duties under the Act;

(c) by action or suit in equity, require the City to account as if it were the trustee of an express trust for the Holders of the Bonds;

(d) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds;

(e) by action or suit in equity, seek the appointment of a receiver who shall take charge of and administer the affairs of the City;

(f) by declaring all Bonds due and payable, and if all defaults shall be made good (excepting that in respect of acceleration of maturities), then, with the written consent of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds, by annulling such declaration and its consequences; or

(g) in the event that all Bonds are declared due and payable and a receiver is appointed, by selling Investment Obligations and all other assets of the City (to the extent not theretofore set aside for redemption of Bonds for which call has been made), and by the taking over by the receiver of the System, and operating same as an adequate revenue-generating operation to the fullest legal extent in the name of the City for the use and benefit of the Holders of Bonds;

(2) In the enforcement of any rights and remedies under this General Bond Ordinance, the Bondholders shall be entitled to sue for, enforce payment on and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City for principal, Redemption Price, interest or otherwise, under any provision of this General Bond Ordinance or a Series Ordinance or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Bondholders, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any moneys available for such purposes, in any manner provided by law, the moneys adjudged or decreed to be payable.

Section 1003. Priority Of Payments After Default. In the event that upon the happening and continuance of any Event of Default, the funds held by the Paying Agents shall be insufficient for the payment of principal or Redemption Price, if any, and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the City acting pursuant to the Act and this Article X, after making provision for the payment of any expenses necessary in the opinion of the City to protect the interests of the Holders of the Bonds, and for the payment of the charges and expenses and liabilities incurred and advances made by any Registrar and any Paying Agents in the performance of their respective duties under this General Ordinance, shall be applied, as follows:

REGULAR MEETING JANUARY 15, 2004
ORDINANCE NO. 9, 2004 CONTINUED

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by a call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all of the Bonds shall have become or have been declared due and payable, and such declaration shall not have been annulled, then, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

Whenever moneys are to be applied by the City pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for application in the future. The deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purposes, shall constitute proper application, and the representative Bondholders or receiver shall incur no liability whatsoever, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the representative Bondholders or receivers act with reasonable diligence, having due regard for the circumstances, and ultimately apply the same in accordance with such provisions of this Ordinance as may be applicable at the time of application. Wherever the representative Bondholders or the receiver shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the representative Bondholders or the receiver shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The representative Bondholders or the receiver shall give such notice as it may deem appropriate for the fixing of any such date. The representative Bondholders or the receiver shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the appropriate Paying Agent for appropriate endorsement or for cancellation if fully paid.

Section 1004. Termination Of Proceedings. In case any proceedings taken on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case the City and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondholders shall continue as though no such proceeding had been taken.

Section 1005. Bondholders' Direction Of Proceedings. Anything in this General Bond Ordinance to the contrary notwithstanding, the Holders of the majority in principal amount of the Bonds then Outstanding shall have the right by an instrument or concurrent instruments in writing executed and delivered to the City, to direct the method of conducting all remedial proceedings to be taken hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Ordinance.

Section 1006. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

ORDINANCE NO. 9, 2004 CONTINUED

Section 1007. No Waiver Of Default. No delay or omission of the Holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this General Bond Ordinance to the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 1008. Notice Of Event Of Default. The City shall cause the appropriate Registrar to give to the Bondholders notice of each Event of Default hereunder known to the City within sixty (60) days after knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice. Ordinance, a series of Water and Sewer System Revenue Bonds is hereby authorized to be issued in the aggregate principal amount of \$8,220,000 (subject to the Permitted Adjustment). As stated aforesaid, the City is of the opinion and hereby determines that the issuance of said Series 2004 Bonds in such principal amount as is necessary to provide sufficient funds to be used and expended for the System. As provided by Article II, Section 204 of the General Bond Ordinance, in addition to the designation "Water and Sewer System Revenue Bonds," such Series of Bonds hereby authorized shall bear the additional designation "Series 2004" and each Bond as so designated shall be a "Water and Sewer System Revenue Refunding and Improvement Bond, Series 2004." The Series 2004 Bonds shall be issued in fully registered form.

202. Purpose for Issue of Series 2004 Bonds. The purpose for which the Series 2004 Bonds are being issued is to provide funds for deposit in the Series 2004 Cost of Issuance Account to pay the costs of issuing the Series 2004 Bonds, providing funds to retire the Prior Lease, providing funds for deposit to the Construction and Acquisition Account to pay the costs of the Project and providing funds for deposit in the Debt Service Reserve, all to the extent and in the amounts or subject to the determinations provided in Article III of this Series 2004 Bond Ordinance.

203. Issue Date. The Series 2004 Bonds shall be dated February 1, 2004.

<u>YEAR</u>	<u>PRINCIPAL AMOUNT</u>	<u>YEAR</u>	<u>PRINCIPAL AMOUNT</u>

The right is reserved in the City to increase or decrease the total principal amount of Series 2004 Bonds awarded to the best bidder as provided in Section 401 hereof by the amount of the Permitted Adjustment, with such increase or decrease to be made in any principal maturity so that the total amount of Series 2004 Bonds awarded to such best bidder may be a maximum of \$9,045,000 or a minimum equal to \$7,395,000. In the event of any such Permitted Adjustment, no rebidding or recalculation of a submitted bid will be required or permitted; the price at which such adjusted principal amount of Series 2004 Bonds will be sold shall be at the same price per \$1,000 of Bonds as the price per \$1,000 of the \$8,220,000 of Series 2004 Bonds bid.

If the successful bidder and original purchaser of the Series 2004 Bonds elects, in accordance with the provisions of the Official Terms and Conditions of Bond Sale prepared for the Series 2004 Bonds (the "Official Terms and Conditions"), to combine the Series 2004 Bonds stated to mature on the maturity dates set out in the successful bid of such original purchaser to comprise a term bond ("Term Bonds") as set out in said successful bid, then such Term Bonds shall be subject to mandatory redemption in part, at the selection of the Paying Agent and Bond Registrar by lot in such manner as the Paying Agent and Bond Registrar may determine, from moneys in the Sinking Fund on each applicable April 1 at par plus accrued interest to the redemption date, according to the mandatory sinking fund redemption schedule or schedules set out in the accepted bid and

in principal amounts corresponding to the maturity schedule set out in Section 204 hereof (subject to the Permitted Adjustment as herein provided).

205. Interest Payment Date; Rates. The Series 2004 Bonds shall bear interest from February 1, 2004, payable semi-annually on April 1 and October 1 of each year, commencing October 1, 2004, at the rates set out in the successful bid.

206. Denominations, Numbers and Letters. The Series 2004 Bonds shall be issued in the denomination of Five Thousand Dollars (\$5,000) or any integral multiple thereof, not exceeding, however, the aggregate principal amount of Series 2004 Bonds maturing in the year of maturity of the Bond for which the denomination is to be specified. The Series 2004 Bonds shall be lettered and numbered separately consecutively from R-1 upwards.

207. Place of Payment and Designation of Paying Agent and Registrar. The principal and Redemption Price on the Series 2004 Bonds shall be payable in lawful money of the United States of America at the principal office of the Paying Agent and Registrar, Fifth Third Bank, Cincinnati, Ohio. The Mayor and City Clerk of the City are hereby authorized to enter into an agreement between the City and said Paying Agent and Registrar hereby appointed. Interest on Series 2004 Bonds will be paid by check or draft mailed to the registered owner as of the fifteenth day of the month preceding the date on which a payment of interest is due at such address as shall be shown by the registration records of the Registrar in accordance with the provisions of Article III of the General Bond Ordinance.

208. Redemption of Series 2004 Bonds; Redemption Terms and Prices. The Series 2004 Bonds maturing on or after April 1, 2015 shall be redeemable at the option of the City in whole or in part at any time on or after April 1, 2014, and if in part, in inverse order of maturity, less than all of a single maturity to be selected in such manner as the Registrar may determine at a redemption price equal to the par amount thereof, plus accrued interest to the redemption date, upon notice and pursuant to other conditions as prescribed by the General Bond Ordinance or supplemental ordinances not inconsistent herewith.

At the option of the City, to be exercised at least 45 days prior to the date for application of the mandatory redemption of the Term Bonds, the City may receive a credit against the mandatory redemption requirement for Term Bonds of the same maturity as the Term Bonds subject to the application of the mandatory redemption requirement set forth in the successful bid for the Series 2004 Bonds which, prior to the date for application of such requirement (and of which a credit has not previously been taken) (i) have been redeemed other than through the application of such mandatory redemption procedure, and cancelled by the Paying Agent, or (ii) have been delivered to the Paying Agent by the City for cancellation.
